Zelnik & Company welcomes **Peter J. Cirlin** as its new senior managing director where he will bring a wealth of experience to the firm.

Cirlin's primary focus will be to expand the company's tenant representation business in addition to his work on be-

half of landlord's throughout the Metropolitan area.

Cirlin has been involved in the commercial real estate business in the Tri-State area for more than 20 years.

During his career, he largely served as a tenant representative serving the needs of some of the country's more successful retailers and well known brands, including Staples, The Home Depot, AC Moore and Ruby Tuesday.

He was responsible for the first Home Depot in Manhattan and for that achievement he won the Real Estate Board of New York's Deal of the Year Award in 2003. He also managed the roll out and expansion for Staples Inc. in the Tri-State area from 1990-2005.
